3 Beds / 2 Baths / 1932 Sq Ft
Offered at \$385,000

Scenic views abound from this spacious, split-level home with 3 bedrooms, 2 baths plus bonus room situated on ~1/2 acre! Amenities include vaulted ceilings, 2 year new carpet and paint inside and out, dual pane windows and linear blinds throughout as well as automatic sprinkler system and house security system! The newly updated kitchen features walk-in pantry and all new appliances! The family room features a wood burning stove with tile hearth! The large bonus room features a walk-in laundry area. Located down the hall are 2 bedrooms, full bath and master suite with 3/4 bath! The spacious back deck features panoramic views! The nice sized, fenced back and side yard offers a lush lawn with playground. The lower level backyard features an ...
