Enjoy the beautiful tropical views from this 2BR/2BA, first floor unit in Smokehouse Bay. This condo has been well maintained and shows beautifully. New in 2014: 3 of the 5 ceiling fans, paint throughout, and tile in lanai. Light and bright with the feel of an end unit. Smokehouse Bay offers 2 tennis courts and 2 pools, one of which has an awesome view of the Bay. It is a very friendly place and is within walking distance to the Esplanade where you will find a marina, shopping, restaurants, and entertainment. Don't miss seeing this one!
