La Jolla, CA 92037

MLS# 150055089  
Built in 1979

Many would agree that Ellentown Road is the ideal street and location in which to live. People love living there, and, so, very few homes have been available throughout the years. This spacious, airy, home is filled with natural light and is instantly appealing. There are nice ocean views, a good-size yard and a family-friendly floor plan. The office can easily be used as a sixth bedroom. A little Marin County in sunny La Jolla! Seller will entertain offers between \$1,995,000 and \$2,195,000.
