Built in 2003

Beautiful lakefront Estate home with 4 bedrooms and 3 full baths. Outdoor Living is at the hilt with a newer salt water pool that is situated directly in front of the lake. Morning coffee will be a treat here. You have two patios which extend to the play area. Tile on the diagonal and wood floors in the Master bedroom. Dual vanities in the master spa with separate shower and tub. Stainless steel appliances in Corian kitchen that opens to the large family room. A/C unit is less than a year old. Accordion shutters protect this exciting home. Literally nothing needs to be done. True move in condition.
