Invite all your family and friends over to see your beautiful new home! This lovely 3 bedroom 2 bath home is a real find with oak hardwood floors, richly- stained ash kitchen cabinets, and a warm and inviting double-sided gas log fireplace. Kitchen/dining combo has enough room for the whole family with a wrap around island and space for a large dining room table. Large master suite is located on opposite end of the home from the other 2 bedrooms. Lots and lots of storage space in the many closets and master suite includes a walk-in. You can also enjoy the outdoors on the large back yard deck and separate fire pit for roasting marshmallows.
