This is a great 2nd floor corner unit with additional windows for added light. The Condo has vaulted ceilings for a very spacious feel. Move right into this super clean unit with an updated kitchen with beautiful granite and glass backspash. The master bath has been totally remodeled and has a huge shower. The A/C and hot water tank was just replaced in 2016. Don't miss the opportunity to live carefree as the maintenance fee covers exterior building, roof, 24 hour manned guard gate, roving patrol, basic cable, alarm system with monitoring, all grounds, and community pool. Come see before it's gone!!
