

4114 Green Meadow Dr  
San Angelo, TX 76904  
\$185,000

This Tony Jones patio home is just like new without a new home price tag. The entire home has been repainted - Kilam Beige on the walls with Swiss Coffee on cabinets, trim and doors. The new paint is accented beautifully by the new carpet throughout the house. Both bathrooms have new sink faucets and there is a 9" deep kitchen sink that is sure to please. Following the refresh, the home was professionally cleaned insuring that moving into this home will be much less work! A feature that sets this patio home apart from the rest is an added 8' x 21' bonus room off the master that adds 168 sq ft to the house for a total of 1905 sq ft. This additional square footage is not shown by TGCAD due to the fact that it was constructed by enclosing ...
