170 Whistler's Cove Rd
ROCKPORT, TX 78382

MLS# 132576

Baths: 2 Full

Built in 2006

Well located Whistler's Cove home with very private entry and desert landscaping creates low maintenance living. Inside are two bedrooms plus a bonus room, presently being used as an office. The AC is only two years old and the roof was replaced after Harvey. This is one of the best floor plans in the subdivision and the condition is excellent.
