Truly a one of a kind custom home in this neighborhood that enjoys a community pool, great neighbors and at this home, beautiful woods and lake views! First floor master bedroom, large open living and dining rooms, and like new kitchen and baths. New carpet in the last two years, beautiful oak hardwood floors, freshly painted interior. Three spacious bedrooms, plus a large loft, could easily be a fourth bedroom! Oversized deck with access from living room and master, great views! Move in and enjoy!
