

9214 WILD SPRUCE DRIVE
FREDERICKSBURG, VA 22407
\$535,000

From the moment you enter this spacious home, you know that it will meet all of your needs. The home office space right off of the living makes it easy for remote work, while also being near that family for a quick transition to movie time. The dining area and large counter space not only makes for a great place to spread out for a dinner or entertainment but also for an epic game night. All of the bedrooms are on the same level, making it easy to check in on everyone one last time each night before retiring to your large master suite with sitting area. The back deck is perfect for entertaining, and the fenced-in backyard is just right for let your furry friends play all day. This home is located in the sought-after Lees Parke subdi...
