Built in 1994

Talk about perfect timing! Awesome brick front beauty located in premium cu-de-sac location and an in-ground pool just in time for Summer! Come one come all before it's too late. This lovely home has a newer roof & HVAC. Dramatic 2-story foyer with newer 12X24 tile floor welcomes you in and splits to living and dining rooms. The living room boasts wood laminate floors, crown molding and opens to the family room. The dining room has wood laminate floors and crown molding. There is a spacious eat-in kitchen with dark stained cabinets, island, desk area, recessed lights, SS appliances, and the eating space has a slider leading out to the backyard oasis! Family room with wood laminate floors, chair rail and big picture window with beautiful ...
