Built in 1997

The Hamilton – Palo Alto's Innovative Concept in Retirement Living

Close to the heart of Palo Alto, The Hamilton offers a gracious residential life-style in an intimate condominium environment. This main floor unit enjoys private exterior patios on two sides. In addition, there is a charming, open-air courtyard, an indoor pool, spa, exercise room, underground parking (with storage area), library, and elevators.

This well-designed 3-bedroom unit is presently arranged as a Master Bedroom/Bath suite (with tall French doors to the patio), a second suite is presently used as an office/guest room, and the third bedroom is equipped with a custom "office wall" of wood cabinets.

The private Hamilton dining room features a chef and sta...
