First time on the market in 57 years! This beautifully maintained brick-front ranch offers the perfect blend of charm, comfort, and efficiency. Featuring gleaming wood floors and solid six-panel pine doors throughout, this home is filled with timeless character and thoughtful details. The spacious primary suite is a standout, with a large bay window and sliding glass doors that open to a private deck. The kitchen boasts warm pine cabinetry, including two glass-front showcase cabinets, and flows seamlessly into the living and family areas. Plantation shutters add elegance, while the cozy family room includes a wood stove. Enjoy year-round comfort and energy savings with fully owned solar panels that power the entire home. Quality Anderson windows throughout ensure natural light and energy efficiency. Set on a lovely, landscaped lot with flowering cherry, pear, and October Glory trees, this home offers privacy and natural beauty—all just minutes from local amenities. A true gem in a peaceful neighborhood!
